

BORON TRIFLUORIDE GENERAL AWARENESS TRAINING SEMINAR

Solstice's technical service team offers Boron Trifluoride (BF₃) customers in-person training seminars year-round.

BF₃ General Awareness Training by Solstice Experts

These industry-leading training sessions are designed to inform Solstice customers about the properties and safe use and handling of BF₃.

Training seminars include:

General awareness and safety

Delivery equipment

Safe handling

Emergency response considerations

Tailored to Meet Your Needs

For your convenience, we can provide these in-person training sessions at your location and tailored to meet your needs.

Essential Training for BF₃ Users

The training sessions are well-suited for new employees, or as a refresher for more experienced employees. These seminars provide useful tips on:

- Properties, hazards, and uses of BF₃.
- Personal protective equipment considerations.
- Proper first aid treatment.
- Delivery and transfer equipment.
- Process system considerations.
- General BF₃ emergency response.
